Backcountry Horseman

Trail Submission Form

In order to be considered for publication on the Backcountry Horseman website, you must complete this form to the best of your ability. We are focused mainly on Northern Colorado and Southern Wyoming trails but will consider trails throughout either state. Trails in less traveled areas within national forest and wilderness areas lacking in available information will be given priority.

Know Before You Go Info:

Date trail was ridden: _____

Trailhead Name: _____

Trailhead Website (if applicable): _____

National Forest/Park/Open Space/Wilderness Website: _____

_____

_____

_____

_____

Photos:

When completing this submission, please include relevant pictures associated with this trail by attaching them to the email. If possible, please rename or order the pictures so that we know how best to include them in the trail report. If necessary, please include additional info about each photo within the body of the email. All photos must be in .jpg format.

Narrative description of the trail (include details about mileage, directions to the trailhead/parking area, trail damage, obstacles, potential dangers, signs, markers, spur trails, potential areas of confusion, etc.):

NOTICE: All submissions will be edited as needed before posting on the website.

Please send this completed submission form to: backcountryhorsemanco@gmail.com
